

# FCB-P

## Advantages

- Easy to Install
- Modular construction
- No tools needed to change filters
- Gasket to seal between door and filter housing
- Easy servicing
- Stable and secure design

**Housing:** Galvanised steel.

**Filter:** Panel filters 25mm (1"), 50mm (2") and 95mm (4") deep.

**Alternative:** Possibility to switch the housings 180° (flexibility to access from left or right side).

**Please note:** Stainless steel version is also available.
