

## Filter Housings

## FCBS-HF

## Advantages

- Easy to Install
- Modular construction
- No tools needed to change filters
- Gasket to seal between door and filter housing
- Easy servicing
- Stable and secure design

**Housing:** Galvanised steel.

**Filters:** S-FLO-W, HI-CAP, Hi-FLO and OPAKFIL G.

**Alternative:** Possibility to switch the housings 180° (flexibility to access from left or right side).

**Please note:** Stainless steel version is also available.

Type	Exterior dimensions (WxHxD) mm	Interior dimensions (WxH) mm	Number of filters 592x592 mm	Number of filters 287x592 mm	Unit volume m <sup>3</sup>	Unit weight kg
